AGiPROTECT IS THE PERFECT CASE + PROTECTION SOLUTION FOR SCHOOL DISTRICT 1:1 INITIATIVES.

End the guessing game involved with budgeting funds for your 1:1 iPad, MacBook Air, and Chromebook repairs with AGiProtect, the ultimate case + protection program!

Combining the most important features for protecting technology investments, AGiProtect includes durable iPad, MacBook, and Chromebook cases combined with unlimited accidental damage repair coverage. That means cracked screens, headphone jacks, home buttons, speakers, charging ports, and many more repairs are covered under AGiProtect with no deductible! **Need a protection plan but already purchased cases for your devices? No problem, AGiRepair offers AGiProtect without cases as well.**

When accidents do happen, all repairs covered under your AGiProtect plan will be performed by AGiRepair in one of our state-of-the-art repair facilities for no added cost, including free shipping both ways.

AGiRepair has been in the mobile device repair business for over 22 years, so you can rest assured that your devices will be returned to you quickly with unmatched quality.

Not only that, but your school will have complete peace of mind knowing that **all AGiProtect plans are fully insured and underwritten.** This means your plan is protected from any unforeseen circumstances.

Success Story: School District of Waukesha, WI

"When the School District of Waukesha began it's 1:1 iPad program 5 years ago, we knew we needed to find a reliable partner to manage our iPad repair flow. With over 14,000 iPads in student hands, we needed a simple, reliable, and easy-to-manage repair flow. We used a few other repair facilities before choosing AGiRepair. What attracted us to them was their easy to use website to track repairs, and their willingness to communicate with us on individual repairs. AGiRepair provides us great pricing, and always advises us when it would be more cost-effective to retire a device than repair it. We are frequently approached by other repair facilities, but our process and the AGiRepair customer service makes it an easy decision to stay with them. Moving forward, Waukesha has implemented AGiProtect as a way to simplify our process and budgeting even more! Simply put, Waukesha School District is very satisfied with our relationship with AGiRepair and we plan to continue."

WHY CHOOSE AGiPROTECT FOR YOUR 1:1 INITIATIVE?

AGiProtect is the perfect solution for school districts deploying new devices. If your district is on the verge of implementing a 1:1 initiative, or refreshing devices, there's no doubt that cases and protection are on your list of things to consider.

To the right are five reasons why school districts all over the country are choosing AGiProtect by AGiRepair to safeguard their devices:

PROVISIONING SERVICES

Let AGiRepair do the work for you. AGiRepair's provisiong team will unbox your new devices, install asset tags, record device data (serial number, asset tag number, Wi-Fi mac address) in an Excel spreadsheet, install the cases, and ship your devices back to you ready to go for a minimal fee.

ALL-IN-ONE SOLUTION

AGiRepair has taken a complicated problem and provided a simple solution. AGiRepair handles all of the repairs, provides durable cases for protection, all with unlimited accidental damage repair coverage!

FAST TURNAROUND TIMES

With 100+ experienced technicians, even the most complicated repairs are performed quickly and accurately, helping the devices get back into the hands of your staff with as little inconvenience as possible.

ONE-TIME FIXED COST

AGiProtect eliminates uncertainty and unpredictable repair costs for 1:1 initiatives. The program is a simple, predictable, and affordable way to safeguard devices for 1, 2, 3, or 4 years.

QUALITY SERVICE

AGiRepair's state-of-the-art facilities deliver quick repair turnaround time and unmatched quality. Easily submit accidental damage claims through our simple online work order system and automatically print free shipping labels to send in AGiProtect repairs.

PROTECTIVE & DURABLE CASE

With AGiProtect, your devices will be secured by durable and highly functional cases. The cases exceed military grade drop-test standards, which makes them perfect for the K-12 environment. AGiRepair also provides a non-case option if you've already purchased cases.

REPAIR COSTS COVERED BY AGiPROTECT

The cost of repairing your fleet of iPads, MacBooks, and Chromebooks can be higher than you think.

AGiProtect is saving thousands of school districts money on device repairs! The cost of one repair on any device is more than a 2-Year AGiProtect plan that also includes a case! The illustrations to the right show the costs of repairs that are covered under our AGiProtect plan.

Covington Independent Public Schools, KY

"I highly recommend AGiRepair if you are looking for a case + protection plan on devices deployed in your school or district. The company is supportive and willing to go the extra mile to make every little detail work. When a repair is needed the process is simple and straightforward. Their staff is second to none and communication is top-notch and timely. We are so appreciative of their staff and their support."

AGiPROTECT VS. OTHER ADP PLANS

Choosing the right protection plan is an important decision when deploying a 1:1 initiative. If you're trying to decide the best way to protect your technology investment, here's what you need to know about AGiProtect® vs. other ADP plans.

Success Story: Mooresville Graded School District, NC

*"Our partnership with AGiRepair has allowed us to maintain and support our digital initiative here in MGSD. AGiRepair helped us bridge the gap with their repair expertise and solid knowledge in supporting digital learning initiatives. Putting digital tools in the hands of every teacher and student is foundational to our instructional practices, and their **AGiProtect program has allowed us to provide this service to every child every day**."*

AGiPROTECT Benefits	Other ADP Plans
1 - 4 Year Terms Available	Limited Terms
Plans With or Without Cases	Limited or No Case Options
Unimited Accidental Damage Claims	Limits on Claims Per Device
No Deductible or Service Fees	Deductibles Per Incident
Instant Claim Approval	Multi-Step Claim Submission Process
Repairs Performed by AGiRepair	Repairs Outsourced
AGiRepair Has Four Repair Depots Nationwide To Serve You!	

AGiPROTECT MOST FREQUENTLY ASKED QUESTIONS

There are many options for protecting and repairing your costly devices. To help you better understand how AGiProtect works, we've included some of our most frequently asked questions.

What is the process to submit an AGiProtect covered repair?

AGiProtect repairs are submitted through AGiRepair's online work order system. Each AGiProtect covered device is tracked by its serial number. Users can check the warranty eligibility of their devices, print shipping labels, and track the status of the repairs from start to finish.

How many years can AGiProtect be purchased for?

AGiProtect can be purchased for Apple and Chromebook devices for 1, 2, 3, or 4 years.

What are the payment options for AGiProtect?

AGiProtect can be purchased directly through AGiRepair and we will invoice you directly. AGiProtect can also be included in your equipment lease or a separate lease purchase agreement through the leasing company of your choice.

What repairs are covered by AGiProtect?

AGiProtect covers accidental damage repairs, including broken screens, home buttons, headphone jacks, charging ports, speakers, camera, buttons, and many more!

What is the turnaround time for covered repairs?

Repairs will be completed within 1 - 7 days of arrival at our repair facility.

What happens if a covered AGiProtect device is deemed unrepairable?

If a covered AGiProtect device is deemed unrepairable, the remaining time left on your plan will be transferred to another device.

If a case is deemed defective, what is the process to receive a new one?

Case defects are covered by a manufacturer warranty, and will be replaced free of charge.
