DEVICE BUYBACK PROCESS

Recoup the highest value for your used Apple and Chromebook devices with AGiRepair's K-12 Buyback Program. Whether your district is refreshing devices or looking to get the best value for your older fleet, AGiRepair offers the simplest and most lucrative way to get cash or credit for your used devices.

Technology buyback can be an overwhelming process, but we're here to make it as easy as possible for you! The three steps to the right show you just how simple device buyback is with AGiRepair.

**After your devices are received at the AGiRepair facility, we will begin our detailed testing and grading process. This process takes approximately 30 days and upon completion your school district will receive an outline providing the final grades and total monetary value of your devices. Your payment will be issued within 45 days of audit completion.*

No deductions for missing accessories or engravings!
